

## Manufacturing Company Specifications Document

### 1. Company Overview

Company Name:

Headquarters Address:

Year Established:

Number of Employees:

Primary Manufacturing Focus (e.g., CNC machining, injection molding, electronics assembly):

Key Industries Served:

Certifications (e.g., ISO 9001, AS9100, CE, RoHS):

*Please email your Certifications to [sales@manufacturershub.co.uk](mailto:sales@manufacturershub.co.uk)  
Without valid certification documents, we can't issue works requiring these accreditations.*

### 2. Facility Details

Number of Facilities/Locations:

Main Manufacturing Location:

Do you operate manufacturing facilities outside of the UK? ☐ Yes ☐ No

If yes, please list all international locations, including country and facility type:

Operating Hours:

Lights-Out Manufacturing Capabilities: ☐ Yes ☐ No ☐ Partially

If Yes or Partially, describe systems in place including use of robotics for machine loading/unloading:

### 3. Energy Usage & Sustainability

Primary Power Source: ☐ Grid ☐ Solar ☐ Wind ☐ Hybrid

Solar Panel System Installed: ☐ Yes ☐ No

If yes: Installed kW Capacity:

Average Monthly Generation (kWh):

Percentage of Operations Powered by Solar:

Energy Efficiency Initiatives:

## Manufacturing Company Specifications Document

### 4. Production Capabilities & Equipment

Core Capabilities:

Use of Robotics & Automation (tick all that apply): ☐ Robotic Machine Loading/Unloading ☐ Robotic Welding or Assembly ☐ Automated Inspection or Sorting

Please describe any robotic systems used in production:

List of Major Equipment (include make, model, year, and any automation integration):

### 5. Quality Control & Traceability

Inspection Equipment Used:

Quality Control Protocols:

Traceability Measures:

### 6. Workforce and Safety

Number of Skilled Technicians/Operators:

Training Programs in Place:

Workplace Safety Certifications:

Average Employee Tenure:

### 7. Ethical Conduct Statement

We encourage all manufacturers to present their operations truthfully. It is essential that you do not exaggerate or misrepresent your company's capabilities, energy efficiency measures, or use of robotics and automation.

Suppliers have the right to request evidence for any claims made, including but not limited to:

- Solar/wind generation data (e.g., kWh reports)
- Equipment specifications and photos
- Video walkthroughs of robotic processes
